

# Full Tuition Scholarships Available **NOW!**

Get energized with **FREE** Tuition at CVCC!

Central Virginia Community College (CVCC) has received special funding from the U.S. Nuclear Regulatory Commission to award **FULL scholarships** to current and new students pursuing certifications, diplomas or associate degrees in programs that broadly benefit the nuclear technology

Completely **Free** tuition for these approved programs include:

- Computers & Electronics Technology
  - Computer Networking
- Engineering (A.S.)
- Engineering Technology
- Machining
- Mechatronics
- Welding

**FREE  
Tuition**

Come to our **Scholarship Open House**  
**August 8, from 6-8 p.m.**  
**CVCC Merritt Hall Multipurpose Room**

Local industry representatives and CVCC admissions specialists will be on-hand to help get you started. Scholarships are not need-based so anyone can qualify. In addition, these scholarships may also include student fees, books and educational materials!

Recipients of these scholarships must be U.S. citizens or be lawfully admitted to the U.S. for permanent residence. Qualified students must be enrolled for full-time status at CVCC to participate.

**Don't let this opportunity pass you by!**
